Youth in foster care or aged out of system	29	21		42	64.6%	47	49.0%	\$3,329				

ADDITIONAL COMMENTS:

We had 7 in PIRL element 413, MSFW Designation. Nevada has been working with our MIS vendor, Geographic Solutions, to identify those in element 413 also under the PIRL element 808. Our 808 element currently displays zero. Our MIS Vendor has determined a fix and expects the correction to this issue to be working in the reporting for Quarter 1 of PY 2021.

¹Applies to Title I only.

²This indicator also includes those who entered into a training or education program for the Youth program.

³Credential Rate and Measurable Skill Gains do not apply to the Wagner-Peyser program.

⁴Barriers to Employment are determined at the point of entry into the program.

Numbers entered into cells in this template are the same as the corresponding "report item number" on the report specification document. Clicking on each hyperlink will take the user to the plain text language

Public Burden Statement (1205-ONEW)

Persons are not required to respond to this collection of information unless it displays a currently valid OMB control number. Respondent's reply to these reporting requirements is mandatory (Workforce Innovation and Opportunity Act, Section 116). Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate to the Office of Policy Development and Research • U.S. Department of Labor • Room N-5641 • 200 Constitution Ave., NW, • Washington, DC • 20210. Do NOT send the completed application to this address.
